

**Green River Regional Educational Cooperative***Proudly Presents***FBA to BIP for EBD and Autism****July 18, 2016****8:30 a.m. – 3:30 p.m. (CDT)**

Workshop #117-16

**GRREC Office and Training Facility • 230 Technology Way • Bowling Green**

An appropriate Functional Behavior Assessment (FBA) is a systematic process for developing statements that hypothesize identified factors that contribute to the occurrence and maintenance of problem behavior. More importantly, the FBA serves as a basis for developing proactive and comprehensive Behavior interventions and plans. The BIP addresses needed environmental changes or supports and includes evidence-based practices that match the function of a student's behavior. The afternoon session will include evidence-based interventions and practices for students with Emotional Behavioral Disabilities and Autism and how to implement with fidelity.

***Learning Targets:***

- Participants will identify critical steps for conducting a Functional Behavior Assessment
- Participants will learn the essential components needed for a clear, effective BIP based on a FBA
- Participants will learn how to individualize behavioral interventions for their students with emotional behavioral disabilities
- Participants will learn the how to individualize behavioral interventions for their students with Autism
